New York, Aug. 24/42.

Brother Phillips,

Yours of the 18th is received. The memorial is just as it ought to be. It will do good I hope. Please send me 20 of them by Hardenbergh & Co's letter sheet soon as you can express a letter sheet soon as you can

I send you a new Reporter. Some typographical errors. I think you will find something to please you. I shall be glad to know if the argument upon the attack of the Observer, etc is sound

In haste

affy yours
